

MEN'S RETREAT

Co-Hosted by Illuman of Washington

Come to Holden Village for a weekend of spiritual renewal and recreation at our 2025 Men's Retreat. Connect with yourself and others through teaching sessions, drumming, nature, poetry, and conversation. Enjoy abundant snowshoeing and cross-country skiing, crafts such as pottery and wood carving, and relaxation in the solitude of the mountains. This retreat is open to men on all parts of the continuum of gender identity and expression.

2025 Teaching Faculty

Erik Samuelson, MDiv, MA, PCC is the convener of Illuman of WA and is passionate about helping men along their inner, spiritual paths.

Jeffrey Batstone, EdD LMHC is a ritual and eco-therapy guide, working to support individuals on their journey to wholeness.

Kyle Petricek, MA LMHC serves as a psychotherapist, incorporating movement, art, and archetypal work into his practices.

Howard Simon is involved with the leadership of Illuman of WA. His Jewish roots provide cultural and spiritual practices to nurture community.

February 28–March 3
